Sir:

In response to the Office Action mailed July 18, 2006 setting forth election/restrictions,
Applicants elect as follows:

Invention II, claims 11-29 and 52-61 drawn to a composition of Formula II, Figure 2;

For quinoxaline derivative, Species III, Formulae II(b) – II(g);

For R¹, Species V, namely, H, F, Cl, Br;

For R², Species II, namely, pyridyl and substituted pyridyl groups;

For R³, Applicants would like to elect single bond, although this is not an option recited in the Office Action, it is present in the Markush group recited, e.g., in claim 11, page 30, lines 13-14. Clarification of the availability of R³ as a single bond pursuant to this Office Action is respectfully requested.

For Q, Species V, single bond, multivalent group.

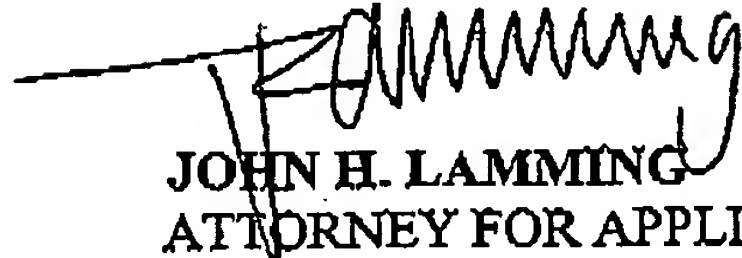

If any additional issues remain to be discussed, the Examiner is invited to call the undersigned at the telephone number listed below.

A petition for extension of time of two months, pursuant to 37 CFR 1.136(a) accompanies this paper.
